

Edalet Mehreliyev

DATA SCIENCE

Data Scientist with knowledge of statistics fundamentals, and analytics software tools such as Python, SQL, and Tableau wishing to improve and always eager to learn more. Skilled in Python, SQL, Machine Learning Techniques, Deep learning, and Statistical analysis. Familiarity with big data technologies, methods of analysis, and relevant software tools. Possessing strong analytical skills, strong attention to detail, and a significant ability to work in team environments.

WORK EXPERIENCE

AI Intern Mentorless

05/2024 - Present

Remote

Achievements/Tasks

- Filtering resumes based on job descriptions (JDs) using advanced machine learning and natural language processing (NLP) techniques.
- To develop an automated system for detecting helmets in images using the YOLOv3 object detection model and OpenCV.

Founder | Data Scientist MOTO4 Startup

08/2023 - Present

Baku

Achievements/Tasks

- Building a model that calculates the price of the car
- A bot that provides information about the machine's strengths and weaknesses.

Data Scientist Taskilled

04/2023 - 09/2023

Baku

Achievements/Tasks

- Working on projects using machine learning.
- Learning data analytics software such as Python, R, SQL

Data Scientist Intern IDRAK Technology Transfer LLC

01/2023 - 04/2023

Baku

Achievements/Tasks

- Find patterns and trends in datasets to uncover insights.
- Created algorithms and data models to forecast outcomes.

Data Analytics Intern JLTECH LLC

11/2021 - 05/2022

Baku

Achievements/Tasks

- Developed polished visualizations to share results of data analyses.
- Created data visualization graphics, translated complex datasets into complex visual presentations

EDUCATION

Computer Engineering | Master's degree Azerbaijan Technical University

09/2023 - Present

Mechatronics and Robotics Engineering | Bachelor's degree

Azerbaijan State Oil and Industry University

09/2019 - 07/2023

SKILLS

Python R SQL Tableau Excel Power BI
Machine Learning Computer Vision Deep Learning
Teambuilding Leadership Time management
Problem-solving

PERSONAL PROJECTS

University Project - CNC machine (01/2022 - 05/2022)

Taskilled - Telecommunication Customer Churn
(07/2023 - 08/2023)

MOTO4 Startup (08/2023 - Present)

Resume Filtering (05/2024 - Present)

Helmet Detection (05/2024 - Present)

ACHIEVEMENTS

Tableau Desktop Specialist certificate

Lumos School of Data certificate: Data Analytics with Python

Tableau Fundamentals certificate: Tableau eLearning Program

365 Data Science certificate: SQL + Tableau

ARTI Sertifikat - Verilənlərin toplanması, təhlili və idarə edilməsi

Taskilled Data Science certificate

SWG | Pre-accelerator Graduate 2023 certificate

KOICA | IDDA - Participant Certificate
